CHERYL DYCK Update

Dear Friends of Missions,

God has been so good! He is always good! I am so thankful we can trust Him through every season of life. Summer is winding down and I am excited to tell you about our ministry opportunities.

Camp Victory. It has been a blessing to be an integral part of the preparation and production of camp right here at my home church. I assisted in areas too numerous to list including choir, decorations, mailing, registration, nurse, outreach prep, crafts, awards... you get the idea. Many hours of preparation but a successful camp with 36 youth. It was a great group of teens. We are praying for fruit that remains. Several youths testified of the impact Camp Victory has had on them through the years. This is such a blessing to know!

God's Command. The 5th Commandment states, "Honour thy father and thy mother". Although there are many ways to do this, God has given me the opportunity to be companion and caregiver for my mother. It is Biblical, although not what I had imagined for this year. She has several on-going needs. Apostle Paul speaks to the caring of widows by the family. It is an honorable service to the Lord, even if it changes the plans I had made. God is Sovereign. His ways are higher than my ways. I trust Him to take me all the way. I don't know the timeline, but I

Prayer Focus:

- Mother's health & care
- Filipino Pastor's support
- Salvation of souls
- Camp Victory spiritual fruit
- Timing for return to Manila

hope and pray to return to the Philippines still this year or early 2023. Pray with me for provision for the care of my mother and for church ministry workers in my home church. Thank you for your faithful support through this extended home ministry time.

Sending Church. It has also been my opportunity and privilege to serve in my home church these many "covid" months. The timing was perfect. God's plans are impeccable. God has used me to serve as pianist and secretary (and lots more things like janitor and Sunday School). It seems we won't be getting rid of this Covid virus. As cases increased in our community, I recently tested positive and developed quite a cough. I praise the Lord for healing and return of strength day by day.

Motorcycle. One of the pastors in the Philippines has been praying for some time for a vehicle to use in visitation and Sunday school rides. Pastor Dennis was delighted to hear that we had received funds for this purchase! He is enjoying test driving it (breaking it in) for a couple months while the sidecar is being manufactured. Thank you to those who gave and continue to support these ministries.

VBS. The 7th church just completed Vacation Bible School

in the Philippines with materials I had prepared in 2020 before Covid arrived. At least 700 children were able to hear the Gospel despite covid restrictions and masks (and no A/C — but temps in 90's with humidity!) I am so thankful for the internet and ease of communication to assist these churches, albeit from across the ocean! They all enjoyed the cowboy theme — even without meeting a real cowboy. God also used Pastor Anjo and Eunice Tongol as the “hands on the ground” in organization and distribution of the materials. I am so grateful for these partners in ministry who picked up the reins in my absence. I am now preparing to ship the materials for next year's VBS. Lord willing, I will be able to direct the training in 2023. My passport arrived in August. Praise the Lord! This is one step closer to my return to the Philippines. The timing is in the Lord's hands. I continue to send funds regularly to the Philippines for pastors' support, rent of facilities, and numerous other ministry requests for funds each month. Thank you for faithfully praying and giving to my continued ministry in the Philippines!

Under His care and keeping,

Cheryl Dyck

We were able to enjoy fellowship with 7 of 9 siblings a few weeks ago here in North Dakota. Family times are a blessing. We are grateful that Mom was able to see many of her grandchildren.
