Dear Friends of Missions,

Ecclesiastes 3:1 "To every thing there is a season, and a time to every purpose under the heaven:" God set the changing of seasons in Genesis 1; and again we see Winter turned to Spring and now to Summer, attesting to the truth of God's Word. As a believer, and a missionary, I want to glorify God in every season of my life. Let me tell you about this season of ministry.

VBS 2023. We were able to have VBS in many locations March through May. It was a blessing to be part of six of the seven graduation ceremonies.

Although these churches have finished VBS, we were able to share VBS materials with an additional 5 churches who will also conduct VBS in July and August. One of these just had a training for workers in an additional 67 locations. Yes! 67 locations. The number of children and parents to be reached with the Gospel will continue to multiply over the summer! Thank you for giving to missions to make this possible!

Church Planting Ministry. I arrived in Laguna in 2013 and began working with new church plants in three locations. I praise the Lord for the fruit in these ministries over the past ten years! God is always good and has been so gracious to these pastors. They have added members and seen many come to know Jesus as personal Savior. Praise the Lord with us!

Freedom. It is with great joy that I report to you.... ROSE IS FREE!! On April 20, 2023 I was able to drive to Manila with some of her family to pick her up. At first it was set for April 17, then 18,

both trips were made in vain. So on April 20 we prayed that this would be the “real thing” and it was!! Thanks to God and to your faithful prayers. She is adjusting to freedom, life at home with her mom. She needs prayer for what ministry or work to pursue.

Seasons Change. I plan to continue involvement with these churches, but for the next few months it will be from a distance. I have returned to North Dakota due to the needs of my mother. She is needing more care daily. I am thankful for my niece, Kelly Dyck, who stayed with Mom while I ministered in the Philippines. I look forward to returning to Laguna, Philippines again in early 2024, Lord willing. I am grateful for your continued support for the ministries in the Philippines. I continue to assist financially and with frequent advice and encouragement during the week. The pastors and ministries continue to need assistance and are extremely grateful for your partnership in the Gospel. Your generosity and prayers continue to supply needs and bear

fruit in these ministries in the Philippines. Thank you again. While I am here in North Dakota, I continue to minister in Victory Baptist Church—as Church Treasurer, Sunday School worker, and many other “hats”. Right now, we are gearing up for Camp Victory July 18-23.

Waiting for the Harvest in Due Season,

Cheryl Dyck

Thank you for praying!
