

The Burns Family to Quebec Canada

Home Sweet Home!—On February 27, after meeting with the notary, we became the new owners of our new-to-us home! This is the first time we have ever been able to own a house, and we are *so* thankful to the Lord for His provision and timing! We have a few little projects to complete before we officially move in, but Lord-willing, we should be all settled in our home by mid-March. *Thank you* to all who have been praying for us to find a house!

Ados pour Jésus (Teens for Jesus)—In January, we had our first Ados pour Jésus for the teen group. What a blessed time we had with them around the Word of God! It is encouraging to see their desire to study God's Word and to grow. The February meeting was equally enriching, with the young people eager to participate in both the Bible study and the game time. Please pray for the youth group, that these young people would continue to grow in their walk with the Lord!

Jeunesse pour Jésus (Youth for Jesus)—The children's program is going well. After Christmas, we began a new study called "The Bible is like..." In January, we focused on the Bible as a mirror—we should allow it to transform us into Christ's image! In February, the children learned that the Bible is like honey—it should be our delight! We look forward to the coming months and sharing more about God's Word with them! Please pray for these children's hearts to be changed by God's Word!

Young Men's Group—Wes continues to meet with the young men once a month. In January, Pastor Josh Campbell

from Quebec City came to present the Bible study, and brought a few young men with him from their church. They all enjoyed the time around God's Word, the campfire, and the competitive games. In February, Wes shared what the Bible teaches about honoring God with our finances—a topic that is crucial for these young men to grasp. Please continue praying for these young men to put the Lord first in their lives, and to seek His direction in each decision that they face.

New family—As mentioned in our last prayer letter, a new family with two teenagers began attending with us before Christmas. We are enjoying getting to know

them, and their teenagers are excited about attending the teen group! As we got acquainted with this family, we perceived that Steve (the father) is not sure of his salvation. Wes has since had some great opportunities to share the Gospel with him. Please pray for him to be saved!

Gospel shared!—Over the last month or so, we have distributed Gospel literature to around 750 dwellings here in Trois-Rivières. Wes has also had the opportunity to witness to two men named Philippe and Adama. We have also just recently seen some encouraging results from our efforts to reach out to Tony, who lives across from the church and does the snow removal in the church parking lot! Please pray for each of these souls to see their need to accept Christ as Saviour!

Looking ahead—Spring will soon be in the air, and we look forward with anticipation to what the Lord has in store for this upcoming flying season! To prepare for upcoming trips, Wes will soon be getting the compass swing completed on the airplane. He also plans to renew his night rating, which will "buy" extra time for the long return trips back from the villages in the James Bay region. Please pray for good flying weather, for safety on each trip, and for the Lord to be already preparing hearts in these villages to

hear the Gospel.

**We appreciate so much your faithful prayers, support, and partnership in the work here! May the Lord bless and encourage you!!
