Dear Pastor and Church Family,

February 2025

MINISTRY NEWS

1 Corinthians 1:9 *God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord.*

Every update letter is not as upbeat as others, but we can always rejoice that our God is faithful! The last few months seem to be a bit of a blur for me but God has been at work here. I have been dealing with a health issue since late November that has limited me physically and given our family an opportunity to grow in faith. God has used this time to have others in our church step up and help. Our church family has been growing in spite of sickness amongst our church folks, and some bad weather at times. Christ is truly the Head of the Church and He is more than able to protect and grow it. I feel privileged to pastor here and am thankful for a good God. Out of some struggling months, there have been great blessings. In January we decided to take on our second missionary! We also hosted a Winter Prayer Conference at the end of January. This was a big encouragement and boost to me and to our church!

FAMILY NEWS

Baby Richard (3 months) continues to be healthy, happy and is growing fast. Robert (almost 3) has a quickly growing vocabulary and already shows signs of being a quick wit (like his father, haha!) Edward (5) is working through Kindergarten and is doing a great job learning to read. My wife and I celebrated our 8th wedding anniversary at the end of January. Life just keeps getting sweeter!
