Dear Pastor and Church Family,

June 2025

As we send this update, we are increasingly thankful for your generous and faithful support to our family. God has supplied for so many needs that we have had through your love towards us and we are grateful.

In my last update, I mentioned the salvation of a young Vietnamese man named Tony. It has been a joy to see his desire for the Lord. We have weekly discipleship meetings and I believe that he has learned so much in just a few months. Pray for him as he takes an extended holiday to visit his family back in Vietnam. Satan will surely use family and friends to place obstacles in his path.

I have had more opportunities to witness one on one with other young men that attend our services semi-regularly. Pray for the salvation of Eric and Timofei. Through another pastor who was visiting in our area, I have recently gotten acquainted with a man by the name of Ray who has been searching for truth. Please pray that his eyes would be opened and for the salvation of his young family as well.

At the beginning of June, we began "Kids Club" on Thursday evenings. My wife has enjoyed teaching the group of kids that come and judging from the amount of noise that travels up the stairs to the adults' Bible study, they are all having a wonderful time!

This month I was able to take in a Pastor & Worker Conference in Edmonton Alberta. It was a blessing to be preached at and to enjoy the fellowship of like-minded laborers.

I recently took a weekend to travel to Vancouver to present our work to two different church families there. God continues to provide for our needs through churches and individuals and we give Him all the glory.

Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created.

Revelation 4:11
