Dear Pastor and Church Family,

March 2026

The end of the year and the beginning of this one proved to be both busy and, praise the Lord, profitable. We hosted our first Christmas outreach the Sunday evening before Christmas and were blessed to see many visitors, some first time, attend. We kicked off the new year and closed off the holiday season with a New Year's Day service. We had food, fellowship and popcorn preaching from the men in our church. A good time was had by most!

The last weekend in January has become our "Winter Conference" weekend and we were privileged to have Pastor Jeff Friesen, along with his wife, with us for that. The highlight of the conference was the after the last message when Pastor Friesen was able to lead a young man to the Lord. Venus Penner (18) had only arrived in Saskatchewan the day before to stay with his cousin and family, who come to our church. He came to the services on Sunday out of curiosity and left with new life in Christ! He was baptized a few Sundays after.

This year we were able to take several of our young people to a winter bible camp, near Edmonton, Alberta. Having grown up attending this camp, and having met a beautiful girl from Saskatchewan there (my future wife!), I know how impactful and important fellowship and focused teaching for teenagers can be. I was glad to accompany a group of our teens and workers there.

In our last ministry update, I asked you to pray for a man named Darwin for salvation. On February 11, I was able to lead both him and his wife, Suzanna, to the Lord! Pray for their new walk and please pray for Darwin's health. He is dealing with brain trauma from a recent vehicle accident.

Thank you for your prayer and support of our family! Because of your faithful and charitable support, any fruit we reap also abounds to your account.
