Cheryl Dyck Update

Dear Friends of Missions,

Romans 8:37 "We are more than conquerors through him that loved us" was our VBS theme. What a faithful God, who gives us the strength to serve and promise of His presence and power!

VBS Report. Thank you for your prayers for VBS 2026!

We were blessed with a good group of volunteers and students in six churches. Tabitha, my niece, and I were able to assist in five of the six churches. We enjoyed seeing the decorations and teachers in each location. What a blessing to know that at least 400 children heard the Gospel message. Many of these were first timers. We look to God for what He will do in lives and churches through this yearly ministry. Thank you so much for the extra giving these last few months! I was able to give extra funds for snacks and prizes, along with funds for materials and crafts. God provided again! Amen. Praise His Name!

Music Ministry. The ministry of music in the church is an important one. I am so thankful for the childhood piano lessons my mother labored through to teach me to play hymns! I was able to have lessons with three children these last few months. The youth in the church in the Philippines have been learning to read music, and to play instruments. This year, Tabitha was able to teach the basics of playing the violin to 5-6 young people. It was a blessing for her especially, to play an offertory together on the violins her last Sunday in Calamba. May God bless this ministry in the lives of the children and youth!

Summer Ministry in ND. Tabitha and I flew home together on April 27. What

a chilly welcome in the Dakotas!! After sweating in 90's F for a couple months, the 40's F felt like winter! Since 2016, I have been able to return to North Dakota to assist in my home church's summer Bible camp ministry in July. What a privilege and blessing to have a part in youth ministry on both sides of the Great Pacific! I will also be teaching at a Bible camp in Manitoba, Canada in June. I am also doing some respite home care for my 7-year-old nephew. It will be a busy summer.

For Our Faithful God,

Cheryl Dyck
