Returning to the Field.

After ministering across North America for the last nine weeks, we are packing our suitcases to fly back to Malta next Tuesday. I was able to preach and give updates in thirteen churches and a camp, and we enjoyed rich fellowship with friends and family in New Brunswick, Saskatchewan, Alberta, Iowa, and Connecticut. It was a blessing to see the Lord building His church across this continent, and I trust the Lord used our ministry to stir people's hearts for our Saviour's work both at home and abroad. We also enjoyed quality time with parents, grandparents, siblings, cousins, and extended family. School has already begun for Kian, who is at Faith Baptist Bible College in Iowa. Rowan will begin his course at the community college in Saint John in a couple weeks, Naya will return to her school the last week of September, and Selah will go to a new school for her 11th grade the first week of October. We are looking forward to resuming a Fall routine as we get settled back in Malta.

We enjoyed time along the Fundy shore in our home area.

Kian in front of his apartment at FBBC.

The Lord has continued to work in Malta during our absence as the Tanis family faithfully served through the heat of the summer. We heard of a young man and a teen being saved, and Luke baptised five people a couple Sundays ago. We look forward to getting back into the lives of our people and catching up with what is going on. We will have a missions emphasis Sunday in early October and have invited the Gurun family to come and share with our church about their ministry in Turkey and beyond. In November we will have a weekend marriage and parenting seminar and will have four couples from our home church in N.B. visiting us during this time.

Prayer Requests:

- Safety in travel and speed in readjustment
- Needs of our family, particularly a new school year, as we are spread out far from one another
- Our work to develop leaders in every area of the ministry
- Wisdom in teaching, preaching, and counseling over the autumn months
- Stamina for the pace of ministry

We have seen the Lord's goodness in many ways these last days, and we rejoice at His kindness toward us. Thank you to all who have blessed us this summer and thank you all for your support of our ministry.

In Christ,

Josh and Erica Burrill and family

Click on the photo to watch the video we have shown in churches this summer. For those we haven't seen, there are some new prayer cards in the mail coming your direction.
