

THE Becker Family TO GERMANY

"...how shall they hear
without a preacher?"
Romans 10:14

TAKING THE GOSPEL TO GERMANY
Soul-winning | Discipleship | Training Nationals

Dear praying friends and supporters,

We spent 9 weeks in southern Ontario visiting churches and presenting the ministry the Lord has for us. The greater part of that time we were parked at Harvesters Baptist Church, just outside of London, which was a great blessing. They celebrated their Anniversary Sunday with a speaker from our sending church in Winkler, so it was good to see some friends again. During our time we also went to a Soul Winning Conference, organized by Lighthouse Baptist Church. It stirred our heart to be more faithful in giving out the Gospel, but there was also a special offering made for a specific need we had not mentioned and it was taken care of by that offering. It is exciting to see the Lord provide for all of our needs! On our way back from a church, we stopped at a food truck. As we waited for our food, Lindsay had the opportunity to speak to Eedie and share the Gospel with her. Eedie was not ready to accept Christ and has a lot of baggage to work through. Pray for her salvation!

At the end of July, we boarded the ferry in North Sydney, Nova Scotia and headed to the island of Newfoundland. Over the next 4 weeks we got to minister in 5 different churches, fill the pulpit for a church without a pastor, preach at teen and family camp, and make many friends with the good people of the churches there. The Lord also protected us once again as we were travelling. As we left family camp and needed to drive all the way back to the west side of the island, along the Trans-Canada Highway, there was an accident with several fatalities. We ended up being stuck on the highway for 8 hours. After the highway opened, we realized the accident had happened just 1 mile in front of us! We saw the hand of the Lord again as we were trying to leave the island. Due to some misunderstanding in our ferry booking, we missed the date of our departure and were placed on a waiting list. The ferry is extremely full during the summer with many tourists travelling back and forth. We had to wait some time, but in the meantime, we got a decent night sleep and the next morning we got on the ferry and were able to cross during the day. The Lord is so good to us!

In His service,

The Becker Family

Praise Report

- Safe travels and good health
- New supporting churches
- Witnessing Opportunities
- Tickets for Survey Trip are booked

Prayer Requests

- Witnessing opportunities
- Continued travelling mercies and health
- Specific place/church to work with in Germany
- Homeschooling situation in Germany

Support status – 40%
