Greetings in Christ: September 2026

Our summer started off exciting with a Bible Conference! Bearing Precious Seed Mobile Ministry came to kick off the conference with some scripture assembly: a first for us as a church and a first for a few in the church. Our Conference Speaker was a blessing to us, our church family and others that visited for the conference. Then at the end of June, our church was invited to join another local Baptist church for a Men's Fishing Trip. The fishing was successful and the fellowship was great.

Growth from within is always a wonderful thing: a new baby was born to a young couple in the church. It is great to see his parents' desire to bring him up for the Lord. This new addition somewhat coincided with the loss of two families who had been with us for some time. The affect of this change on our little church has been felt, but we know God is still good and we see His faithfulness through every change. Please pray that God would add new families with young children to our church. I am also asking the Lord to give our church a senior couple or two.

Pastor Doug Wood from our sending church of Harvesters Baptist Church visited us a couple of week ago. Beside preaching for the Sunday services and spending some time with us and other church folks, I had him speak to our men on the topic of church planting. We were able to do this during a men's breakfast on a Saturday and the promise of bacon, sausage, eggs and more brought out a good group!

Recently I have had a request from a young man wanting to be baptized. As soon as our schedules allow, I am excited to meet with him to pursue this first step in his Christian walk. It is good to see growth and maturity showing in some others of our newer believers also.

Most recently, Tara and I took in a short ministry trip in Alberta and before too long we are looking forward to going camping at the end of September. It has been awhile since I have been able to take some concentrated time to spend with just my family and we pray that the rest will be a help to us.

As always, we appreciate your prayers, support and friendship. Thank you for your part in our ministry. ~ The Hollingsworth Family

please pray for LIBERTY BAPTIST CHURCH

- Salvation for:
  Ivy
  Richard and Wendy
  Rene
- Spiritual growth & protection:
  Tony
  Venus
  Ray
  Kayden
- *Friend Sunday—September 13*
- *Hollingsworth Camping Trip*
